SUPER SPEED RACE

MIDWAY'S FAST ACTION THRILLER

The full color video driving game with realistic excitement that puts *you* in the driver's seat for super play action.

The player sits behind the wheel, shifts into low gear, steps on the gas and moves onto the speedway track. A shift to high increases the speed and the scoring -- but it takes extra skill to maneuver and pass cars without being hit. 'Crash' sounds mean a hit or going off the road. Player returns to pit stop and must start again. 'Skid' noises warn of icy patches and oil slicks on the road. Extended play and game time are adjustable.

'Race Results' scoreboard permanently displays top 5 scores to challenge all players.
